21. Red Star Cabinet Co. Inc. Farmingdale, NY '06: \$1,480,000 '07: \$2,279,000 Sales '07: 53.986% Projected '08: 10% Est.: 1997 Employees: 10 Custom bath & kitchen cabinetry Red Star Cabinet Co. Inc. manufactures custom bath and kitchen cabinetry for new construction, renovation projects and property managers. According to Robert Edelbach, president, the company credits its success last year to its marketing program, which targets new construction projects, as well as strong repeat clientele based on customer service and referral business. Aiding its production efforts has been the purchase of a Brandt edgebander and Powermatic shaper over the past year.
